

WELCOME BACK PATRIOTS!

ARE YOU READY TO #LEVELUP THIS YEAR?

WHAT IS #LEVELUP?

#LevelUp is this year's school motto! Let's challenge ourselves to work hard, stay focused and be better than the year before! #LevelUp should inspire everyone to progress, unlock new abilities and be ready to face obstacles that will allow us to grow and improve! Throughout the year, this newsletter will highlight various ways students and staff are choosing to #LevelUp!

HAPPY FACES AT NWR

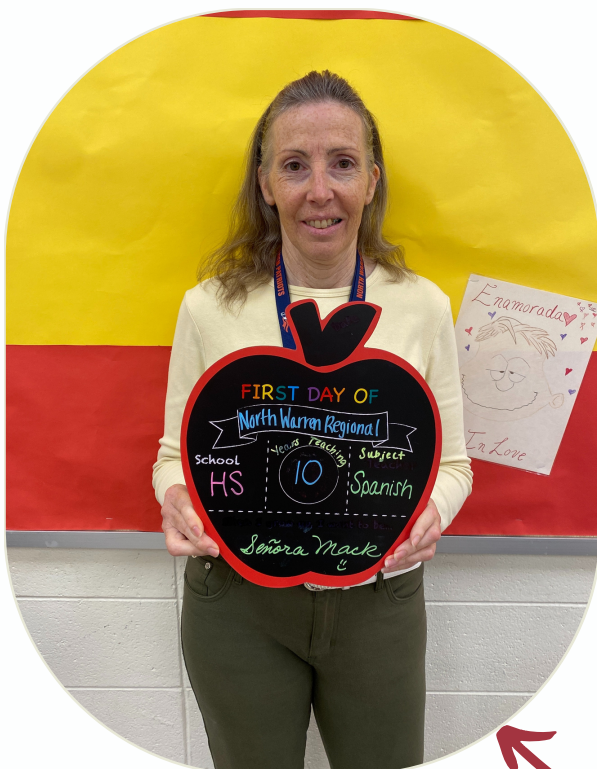

NEW TEACHER HIGHLIGHTS

You must have noticed plenty of new faces around the halls of North Warren Regional! Read below to learn more about our awesome new faculty and staff!

Mrs. Cumberton is beginning her tenth year of teaching. She has spent the majority of her teaching career in middle school, and she is excited to move up to the high school. She has 3 children. She loves reading, music, camping, baking, dancing, sports, and anything that makes her laugh. She has her Masters in curriculum, and she graduated from William Paterson University with a BA in English and Education.

Ms. Mack comes to NWR with a Bachelor's in Spanish and a Master's in Education from ESU. She finished her Master's in the Art of Teaching Spanish at Rutgers University in 2018. Her university studies have taken her to Mexico, Costa Rica, Peru, and Spain. She looks forward to future adventures in other Spanish-speaking countries as well. In her spare time, she loves to read in both Spanish and English, ski, ride her bike, swim, and spend time with her family. She looks forward to working with everyone at NWR!
