

## FOOD TRUCKS BRING HAPPINESS

On Friday, Sept 16th, the Student Council planned the Back To School Food Truck Event! It was a great success and the food was delicious! Thanks to Student Council, staff chaperones, and the students!!

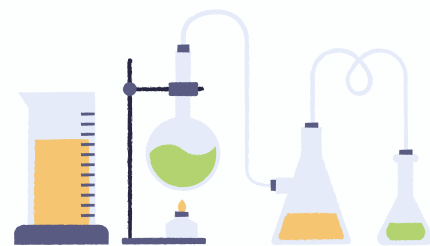

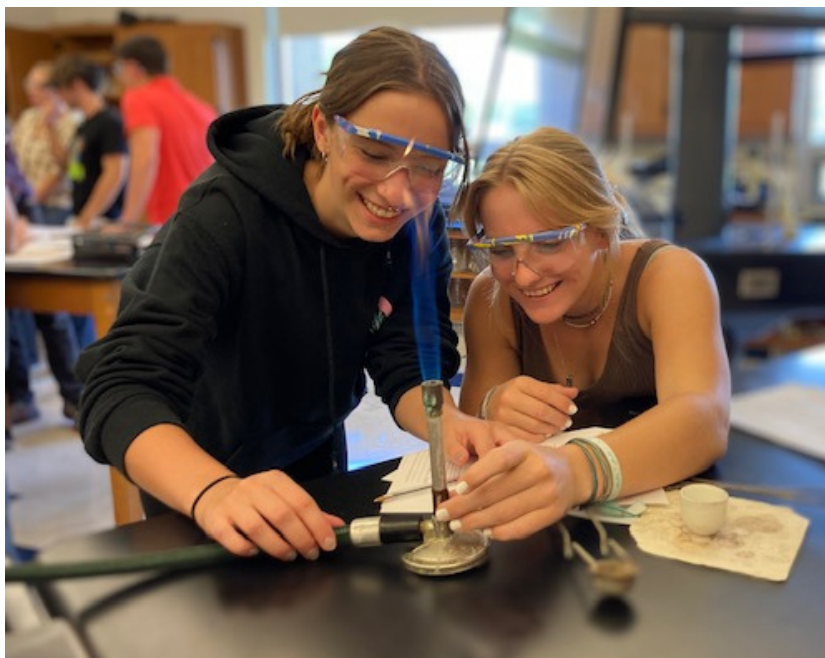

# CHEMISTRY

WITH MS. DERENZO &  
MS. GALLAGHER

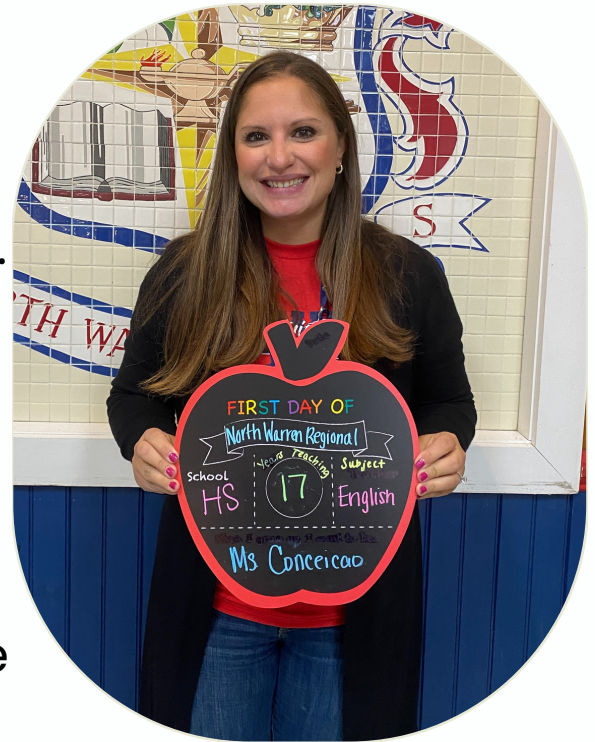

First lab of the  
year learning  
how to properly  
ignite and adjust  
a flame of the  
Bunsen burner!

# NEW TEACHER HIGHLIGHTS

**You may have noticed plenty of new faces around the halls of North Warren Regional! Read below to learn more about our awesome new faculty and staff!**

Mrs. Conceicao is entering her 17th year of teaching. She had previously taught at Dwight Morrow High School in Englewood, NJ for the past 15 years. She moved to Warren County in 2015 and lives with her husband and two children. She absolutely loves teaching and she is excited to start a new chapter at North Warren Regional. When she has free time, she is reading!

Mrs. Agens is a new teacher this year at North Warren Regional. She is excited to be teaching 7th and 8th grade ELA Writing Skills. Mrs. Agens graduated from North Warren Regional in 2000 and from the University of North Carolina at Chapel Hill in 2004. Mrs. Agens lives in Blirstown with her husband and her two children. Teaching is her greatest passion and she also loves reading, writing, shopping, and sports.

## PENNY WARS

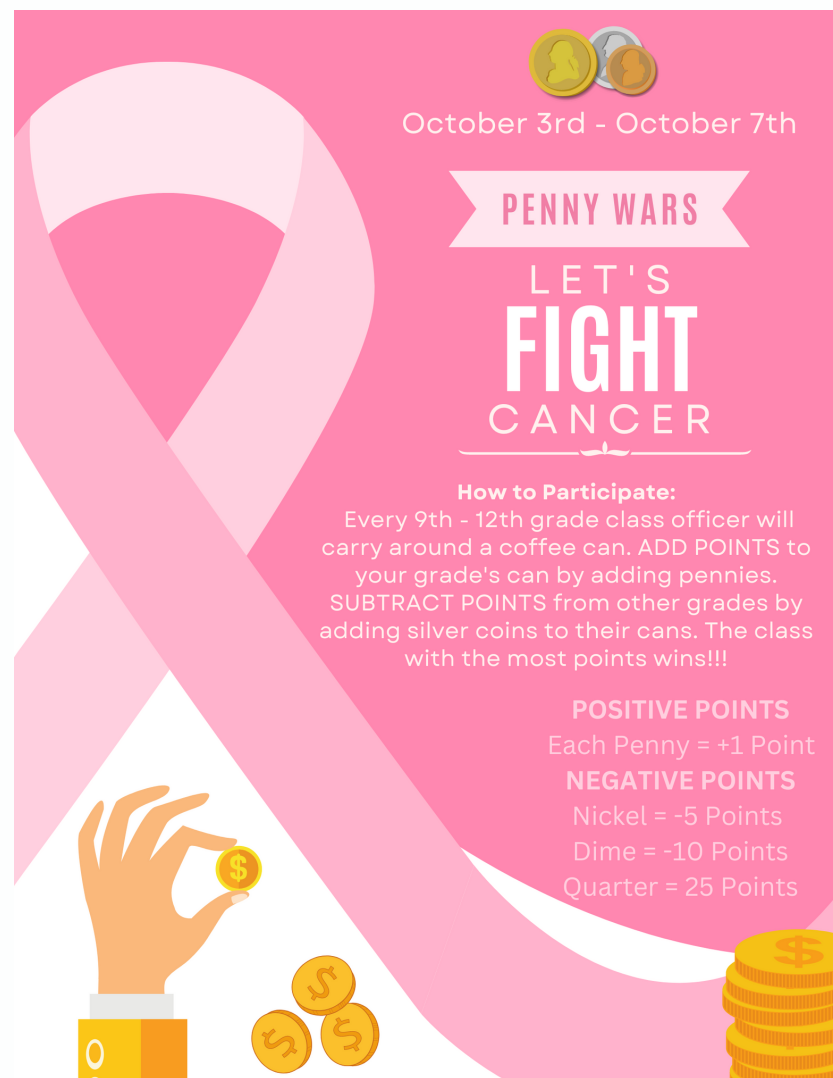

### LET'S FIGHT CANCER

**How to Participate:**

Every 9th - 12th grade class officer will carry around a coffee can. ADD POINTS to your grade's can by adding pennies. SUBTRACT POINTS from other grades by adding silver coins to their cans. The class with the most points wins!!!

**POSITIVE POINTS**  
Each Penny = +1 Point

**NEGATIVE POINTS**  
Nickel = -5 Points  
Dime = -10 Points  
Quarter = -25 Points

# AUTUMNAL EQUINOX IN PHYSICAL SCIENCE

Equinox in Latin means "equal night". On the autumnal and spring equinox, we experience equal hours of sunlight and darkness. Our Earth's axis is straight (balanced) which can be demonstrated by being able to balance an egg upright on any flat surface!
