FALL FUN WITH MRS. POTESTIO'S CLASS

APPLE & PUMPKIN PICKING!

NEW TEACHER HIGHLIGHTS

You may have noticed plenty of new faces around the halls of North Warren Regional! Read below to learn more about our awesome new faculty and staff!

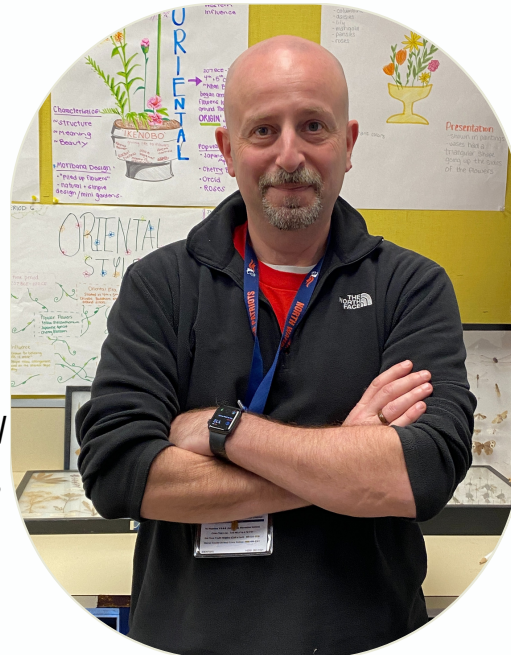

Mrs. Dollard is entering her 18th year of teaching and is certified in both English and Math. As a born and bred diehard New England Patriots fan, she comes to NWR with a complete wardrobe of Patriots gear! She has two daughters: Delaney who lives in Philly and Caileen who lives in Nashville. During her free time, Mrs. Dollard loves to listen to live music, kayak, read, and go hiking with her husband, David, and two dogs, Rosie and Oakley.

She is also working on her Masters of Education in Teacher Leadership and Curriculum Development. Mrs. Dollard is thrilled to be part of the North Warren family – GO PATRIOTS!

Mr. Van Es is starting his first year at North Warren Regional. He previously taught at New Brunswick Public High School, but is originally from Sussex County and is happy to be back in the area! Mr. Van Es enjoys spending his free time watching movies and crocheting.

Mr. Dienes graduated from Rutgers University. He has taught at Rutgers and Montclair State University. He is the Former Director of Operations for two pest management firms in New Jersey. He has been a field scientist for New Jersey Department of Agriculture on the Asian Long-Horned Beetle Eradication program, Communications Director for Lincoln Educational Services, Public Relations Executive for Dow Chemical, Dow AgroScience, and BMW of North America, and member of the Governor's Office staff. He is a former Scoutmaster of Troop 312 Budd Lake. He was born and raised in Central Jersey along the shore. He recently celebrated his 22nd year anniversary and is a father of three boys.

How to Get Cozy Today

Things to Remember

You are important and you matter.

You are so very loved.

Your mistakes don't define you.

It's okay to ask for help.

You are allowed to say no.

Your wants and needs are valid.

Rest is not a reward.

Productivity doesn't define your worth.

Your boundaries are important and worthy of respect.
