FROM THE HEALTH OFFICE

When should you stay home from school due to illness?

- Fever: 100.5 or above. You must be 24 hours fever-free without a fever reducer to return to school.
- Vomiting and/or diarrhea: you should stay home until you are sure you can eat without vomiting or diarrhea
- Rash: new onset and undiagnosed
- Positive Covid Test: return to school on day 6 after symptom onset. Day one is the first day after symptoms begin. Return on day 6 if you have a resolution of symptoms and fever free for 24 hours. Mask required for days 6-10 unless you have tested negative 48 hours apart on days 6 and 8.

In addition, any exemptions from Physical Education, whether from illness or injury, require a physician's note to be excused.

Please call the health office with any questions, concerns, or updates on your students' health at extension 1113.
