

WARREN COUNTY TRANSITION RESOURCE FAIR

Saturday, March 28, 2026 | 10am-1pm

What to Expect

Do you have a high school student with an intellectual or developmental disability who will need support after graduation? Caregivers of New Jersey is a DDD-approved Support Coordination provider, and we're here to guide your family through this important transition.

At this event, you'll learn how to access DDD services after graduation, what Support Coordination looks like, and how our team works with families to ensure students have the resources they need to move forward with confidence.

You'll also meet local Warren County providers and discover how CNJ can be a trusted partner as your students enter adult services.
